Merry Christmas and a Happy New Year!

Wow we can't believe that 2017 is coming to an end! This year has sped by! As we look back on this year we are so thankful for you, our friends and family! Thank you for praying for us, supporting us, and caring for us! Thank you for being such a huge part of our ministry here in Cambodia. Thank you for helping us extend God's light to Cambodia! We are so blessed to get to serve here, and it would not be possible without you!

Some highlights from this year:

Brad getting to continue to teach his Reasonable Faith class, which helps students discover what they believe and how to defend it. This class has been such an impactful class! In the years that Brad has taught this class he has seen some students come to the Lord, because they see the truth! He also taught a british literature class this year, and continues to be the school counselor. It has been a busy year!

Liz continues to homeschool our 5 precious kiddos. She enjoys leading a homeschool co-op for some fellow missionary families. This year they have studied the Bible, science, and a contrast study between Cambodia, America, Canada, and Switzerland (the countries represented in our co-op) we have really enjoyed learning about each others countries! Liz loves helping women missionaries thrive in Cambodia. She does this by leading a co-op, planning a monthly ladies dinner, planning fun events for the holidays, and hosting playgroups. A huge highlight was getting to share the gospel with some precious muslim friends.

Seth became a middle schooler this year! Some highlights were getting to be a part of the Logos sports teams. He is an awesome boy who puts his whole heart in every game! He might be a little bit competitive. He also joined the boy scouts (who knew the boy scouts would make it all of the way to Cambodia?) Thanks to the US ambassador to Cambodia!

Hadassah is in 4th grade this year she is really enjoying being part of the Logos dance ministry. She is a beautiful, graceful dancer, who has such a sweet spirit. She and Gianna get to perform a dance at Logos tomorrow and are very excited about it! Hadassah love to read, and always has her nose in a book.

Gianna is in 3rd grade she also enjoys being a part of the dance team. She is our fierce and fun girl. She loves to craft, you will always find her sitting somewhere with a pair of scissors and a pile of papers!

Nathan is in Kindergarten this year! He is our boy who loves schedules and structure. He is our little helper. He loves building with blocks and finding insects outside. A highlight for him has been learning how to write his ABC's and getting to go to boyscout camp with Seth.

Jamie is our explorer! He keeps us on our toes. He is 4 years old. He keeps himself busy, playing, exploring, and finding "pets" (usually huge insects).

Thank you!!!!

We have our airplane tickets to visit America this summer! Thank you for your generous support! Any extra support will go to our gas, food and lodging.
